THE MOST COUNSELORS

The camper-to-counselor ratio at the Newark Academy Wrestling Camp is second-to-none. In addition to the head clinicians, each wrestling room has numerous high school and college wrestlers assisting and instructing the campers.

THE BEST FACILITIES

With 2 wrestling rooms and 4 full mats, campers are kept safe and given enough room to get the most out of their drilling. An olympic-sized swimming pool and the state-of-the-art Danco Family Fitness Center are also heavily utilized during the week.
