"The Polar Bears"

Ryan Bohn
Athletic Director

January 19, 2013

Ohio Athletics Committee:

I would like to thank the Ohio Athletics Committee for allowing the Margaretta Athletic Department to use three score-clocks for the Sandusky Bay Conference Duals this weekend. Without the help from groups like the O.A.C., it would have been difficult to host this large event. Thanks again for your partnership in providing athletic opportunities for our youth!
