Dear Jared:

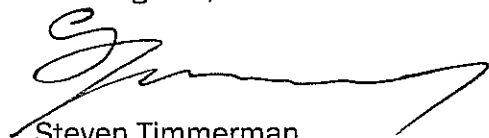

Thank you for your generous sponsorship of \$100 for Goodwill Industries 10th annual Golf Scramble on August 25. We had a great turnout at Woussickett and raised about \$5,000 from the event, which we appreciate very much.

Goodwill Industries provides employment, job training, life skills training and other social services support for people with disabilities and those who are experiencing disadvantaging conditions. About 70% of our 300 employees are classified as disabled or disadvantaged. We strive to improve overall quality of life by helping these people achieve their highest levels of independence.

We are very proud to report that ninety four cents of every dollar generated from our retail, manufacturing and recycling operations is directed to mission-related client services.

Thank you again for your support of the Golf Scramble. Your support makes our success possible.

Best regards,

Steven Timmerman
Marketing Manager
