

As is the case in most arenas, the Covelli Centre has a policy on what can or cannot be permitted at their facility. Coolers are limited to the size of a six pack (12" x 16") and to the person competing. The cooler must be held by the competitor for the duration of the day. No family coolers are permitted and no beverages being carried by hand will be permitted into the building. The Covelli Centre thanks you for your cooperation and wishes all wrestlers the best of luck.
