

The Ohio Athletic Committee (OAC) is preparing for the 2013 Youth Football State Championships and is setting up State Qualifying events around the state. Let us know if you would be interested in raising funds for your program by hosting one of the State Qualifiers. Please see the details below. We are a nonprofit organization that works solely with Ohio athletes and have awarded over \$45,000 in college scholarships to Ohio students in the past 5 years. We have also helped to raise more than \$500,000 for athletic programs across the state of Ohio in the past 15 years through the conducting of these events. If you or your youth coaches would be interested in hosting a qualifier please let us know. We would be glad to answer any questions you may have. Thank you

Youth Football State Championships

State Qualifier Host receives:

\$50 per team entered

All admissions

All concessions

- A host site may conduct multiple division qualifiers the same day or on different days even if they do not have a team in the other divisions
- Qualifiers consist of a minimum 2 games per team. They can be run as a 4 team bracket tournament or as round robin.
- If round robin each team plays 3 games and if bracketed each team receives 2 games
- The runner-up team is the alternate should the champion decide not to compete at state.
- Teams competing in the qualifiers would be grouped to play vs. other teams of the same division as they would for the state tournament. OAC would assist in distinguishing what division a team would be best suited for base on same criteria as we have been using for State the past several years.

Qualifier deadline

The latest a qualifier can be held is October 20. Qualifying teams are the only teams with a guaranteed state spot. The week before the leagues start their play may be the best date to hold the qualifier for most but they can be held any date as long as it is on or before October 20.

Contact info@ohioathletics.com for more information on hosting a Qualifier
